NOTE.

Sl. No-1

Under an agreement entered into with M. Hajee Ismail Sait as sanctioned by Government in Proceedings No. 482-8 / 6032-8 dated the 20th January 1904, the Forest Department is required to supply a large quantity of timber. No provision was made in the current year's budget for this purpose as the expenditure was not anticipated at the time of preparing the Forest Budget for 1903-04. As the existing provision hardly suffices to meet the ordinary working charges of the Department no reappropriation of funds

is possible. It is proposed to collect and store a large quantity so that supply to the Kolar Gold Fields may not be affected during the next rainy season.

2. I beg therefore to request that a supplemental grant of Rs. ~~29000~~ 35,000 may be placed at my disposal for distribution in the districts noted as per margin. The anticipated income under this transaction is estimated at Rs 5'6000.

during the current year; but as a large quantity of timber has to be kept in stock for the next two months, the contemplated expenditure is proportionately large.
